

## Out Going Freight

It is the responsibility of the Exhibitor to contact their Freight Carrier and make arrangements for pick up. The Dixie Center does not make these arrangements.

The pick- up location for the Center is:

**The Dixie Center/ Event Name**  
**1835 Convention Center Dr.**  
**St. George, UT. 84790**  
**Phone: (435) 628-7003**

All freight must be boxed and taped with the appropriate return labels on each package as well as a bill of lading if necessary. All labels and bills must show your company as the shipper along with your company's account numbers.

**Do not use the Dixie Center address on your labels or Bill of Lading.**

All pick ups should be schedule on the day of your Events move out date and times. All freight being left for a scheduled pick up must be checked by a Dixie Center Representative before leaving the Center. There is a one time handling fee for all freight that is prepaid from the On-line Decorating Guide that includes outbound handling as well.

If you require any further assistance you may contact our Guest Service employees at the Service Desk located in the North Entrance area of the Dixie Center.
